

We are the Safeguarding Champions!  
We represent our school.

All of the adults in school are here to help us.

It is their job to...

- Make sure that we feel happy, safe and secure.

- Protect us from harm

The adults make sure that we know and understand the rules in school and help us to follow them.

- Make sure everyone is developing properly.

- The adults help us to understand how to make healthy choices and to do our best to learn.

- Encourage a happy, healthy mindset.

- The adults help us to manage our emotions and talk about our feelings. They help us to try our best in everything we do.

- Give us the skills we need to grow up to be happy and successful.

The adults help us to learn how to make good choices so that we can be safe and happy, both at school and outside of school.

- What happens if we ask for help?

If you are worried about anything at school or at home, you can ask **ANY** adult in school for help. Sometimes a member of staff might need to check things with a grown up in school.

Mrs Bullerwell, Mrs Ferguson, Mrs Clarke and Mrs Marley are our safeguarding leads. If they can help you to sort out the problem themselves, then they will.

There are times though, when they might need to contact some other agencies for support. This might be Children's Social Care (social workers) or the police. There are lots of other agencies which support children and their families as well.

Staff will always explain what is happening and you can always ask if you are worried or unsure about anything.
