

## **What we bought with the money from the PTFA**

First of all, we would like to thank the PTFA for the £3,500 that they raised for our school. They put a lot of effort into organising different fund raising events such as: Halloween discos, Valentine discos, Christmas fairs and summer fairs etc.

The money they have raised has paid for: the outdoor street in nursery; the imagination playground; the new stage in the KS2 hall along with a new screen and projector. We also bought table tennis and pool tables; the equipment needed for the science lab; the tortoise that we will be adopting and the necessary items required to take care of it. Many of the students in our school enjoy playing football during their break times, so we purchased some new goal posts that are larger than the old ones. In KS1, we bought new tables and chairs to create a learning area, along with a white board and new supplies - it is located just outside of the year 1 and 2 classrooms.

All of these items create positive learning environments and allow the pupils in our school to achieve their greatest potential (as well as having great fun too). We are so grateful for all of the things that make our school as amazing as it is and we thank everyone who is involved in fundraising activities.

**THANK YOU!**
