

The Reception Curriculum

September 2021

What your child needs to bring to school:

Your child needs to bring a water bottle and their reading folder everyday.

Please ensure they have appropriate clothing to wear outside as a lot of the Early Years Curriculum involves playing outdoors. In the colder weather, they will need their coat, hats and mittens or gloves.

Please check all of their clothing, water bottles, reading folders & packed lunches are labelled.

Keep encouraging your child to be independent with their self-help skills by getting them to put their jumper, coat and shoes on and off by themselves. Support them in using the toilet independently and keep reminding them to wash their hands carefully.

What happens during the day?

PE on a Friday-children come to school dressed in their PE kit.
Two lessons of RE will take place throughout the week. Children will use the ipads for Reading Eggs and develop their mouse skills using the computers in the ICT Suite each week.

Reading

- Children will start to be given reading books during the week of the 20th September.
- Children will be heard read by a member of staff at least once a week & have their books changed every week.
- They need to bring in their Reading Folders everyday as they may read at other times during the week too.
- We will try to change the children's books on the same day every week-where possible.
- Children will receive 2 reading books & have letter sounds and key words to learn at home.
- Please try to hear your child read everyday for short sessions. If they read the books, letter wall & word sheet regularly it will have a huge impact on their Literacy skills.
- Please write a comment once a week in your child's yellow reading record book.
- We will write a comment back after your child has read to us at school.

Phonics

The children follow the Letters and Sounds programme. For the first half term we will be focusing on Phase 2 phonemes and words listed below. We will be learning to blend and segment CVC words e.g. hat, man, bus, sip etc. When teaching a new phoneme we will listen to the Jolly Phonics song, copy the action & generate words that begin with that sound.

At the end of Reception class, each child is assessed against the 17 Early Learning Goals (ELGs)

The Curriculum

- The Reception pupils work towards achieving the Reception Development Matters Statements in the Autumn & Spring terms. In the Summer term they are working towards achieving the Early Learning Goals.
- The Prime and Specific areas are used to plan your child's learning and activities that are suited to your child's unique needs & interests. Children in the EYFS learn by playing and exploring, being active, and through creative and critical thinking which takes place both indoors and outside.
- When observing the children playing we are looking for them to use some of the 'Characteristics of Effective Learning' in their play. These characteristics are split into 'Playing and Exploring', 'Active Learning' and 'Creating and Thinking Critically'.
- Reception children will complete a statutory Baseline assessment in the first half of the Autumn term. Children will work on a one to one basis with an adult to complete a series of activities. Pupils' attainment in these tasks are a starting point to provide a way of measuring progress to the end of KS2.
- At the end of the Reception year we will complete an assessment which is known as the EYFS Profile. This assessment is based on our knowledge of your child and what we have observed your child do. The profile measures your child's progress in all of the areas of learning against the Early Learning Goals. We will give you a report of your child's progress, including information from their EYFS Profile.
- The Early Years Outcomes, Early Learning Goals and Characteristics of Effective Learning are posted in the EYFS section of the website.

Writing

During this term we will be encouraging your child to mark make daily.

- Children love to make marks with all sorts of things – pens, pencils, chalk, paints, shaving foam, flour, glitter...the list is endless!
- Mark making is the first step towards writing.
- When using pens and pencils we will encourage your child to use the three fingered tripod grip.
- As we introduce the letter sounds, we will be showing the children how to form the letter graphemes correctly.
- We will be helping the children to write their names using the correct letter formation.
- We will help the children to label pictures by recording the sounds they can hear in the words (this may only be the initial sound to begin with).
- The children will write labels and captions before they are ready to begin writing in full sentences.
- We will also encourage the development of gross motor skills when playing outside as this helps to develop their fine motor control too.

RE

The Reception Class say a prayer in the morning, at lunchtime and before Home Time. We make the sign of the cross before saying our prayers.

Every afternoon we take part in collective worship where we celebrate God's presence in our lives.

We cover all of the topics in the 'Come & See RE curriculum. These are: Myself, Welcome, Birthdays, Celebrating, Gathering, Growing, Good News, Friends and Our World. We also learn about other faiths such as Judaism and Islam.

At the end of each topic we participate in a class liturgy which may involve prayerful reflection, music, singing, movement, retelling a Bible story and celebrating the work we have done in the classroom.

Pirates

Over the next few weeks, we will be participating in lots of activities around the theme of '**Pirates**'. This topic really engages the children and complements the rest of the school's work based on 'Treasure Island'.

Children are invited to come into school dressed as pirates on Thursday 16th September.

We will be reading lots of pirate stories, singing pirate rhymes, drawing pirates and acting out simple adventures. The topic overview is posted on the EYFS section of the website in Reception Class September 2021.

The next topic we will be looking at is based on the story of 'Farmer Duck'.

Rewards

Good behaviour makes effective teaching and learning possible.

Cubes in the Jar

Children are asked to put a cube in the class 'Cube Jar' when they have shown great behaviour or achievements. When the 'Cube Jar' is full then the whole class get a treat e.g. make biscuits, bring scooters in, dressy up day etc.

Greenie Awards

We give children greenies in class for things such as trying hard, recognising sounds, being a good listener or being kind to a friend. Children will be able to bring their greenies home for you to see.

Awards and Certificates

Once your child has received 8 'greenies' they will be awarded a Certificate. When they have earned another 8 green awards, they will be given another Certificate and so on. Your child will tick squares off on a chart in the classroom to keep track of their own achievements.

School Facebook & Twitter

If you would like to view the posts on Facebook then search for St Cuthbert's Catholic Primary School and ask to join the group. This is a closed group that only allows the families of St Cuthbert's pupils to view any posts.

Facebook and photographs posted in the EYFS section of the website are a good way of seeing what activities the children have been doing at school.

We also have a school Twitter account for parents to follow.
