

## How the PTFA contributions were spent 2018-2019

Some of the things the PTFA have helped us raise funds for are:

- the new Enchanted Forest area with outdoor decking
- the Y1 and 2 shared learning area
- the outdoor areas attached to KS1
- the Forest School
- the Christmas pantomime
- countless school trips
- new outdoor equipment
- new classroom equipment
- our new projector in the KS2 Hall and extra staging
- our fabulous slide area in the butterfly garden.

The Enchanted Forest

The Enchanted Forest – outdoor decking

Recently, the PTFA gave us a very generous sum of £4,500 which they have raised over the last year through fairs, discos and raffles.

We will be using the funds raised by the PTFA to install a new canopy area for Nursery providing shelter and shade and we are also developing a Library which is just for Reception and KS1 to use to help them with their

reading skills. Thanks to the PTFA, we can make that possible. Their contributions to the school are very much appreciated by everyone at St Cuthbert's and really do have a fantastically positive impact on our school.

Money raised by the PTFA is so important to the school as our normal school budget just does not stretch to develop our provision and teaching and learning opportunities in this way.

Thank you to each and every parent/carer and family member who has attended any of the PTFA's fundraising events as without your support, these events would not be the successful fundraisers that they are.
