Thursday	Introduction and Wake up Shake up	Phonics/Reading Eggs	English	Maths	Creative curriculum
Friday	Introduction and Celebration Assembly	Spellings challenge and phonics games	Maths games and songs	PE and music	Golden Time/Feel Good Friday PSHE activities

This is a guide for parents/carers to show what you can expect school to provide and the expectations for learning. The timetable is really flexible so you can change the order of the lessons if that's easier for you. Break times and lunch times haven't been included as this is something you can arrange at home to suit your day, but we usually have a short break after each session in school to get some fresh air and recharge our batteries. If you have any questions, please email me and let me know.
