

**The Year 4 Artist
'I can...'**

... experiment with drawing techniques to support my observations

... explore a variety of printing techniques

... use experimental drawing techniques to create atmosphere in a drawing.

... create a sense of distances and proportion in a drawing

... create an accurate print design

... use printmaking as a tool with other medias to develop a final outcome

... explain why I have chosen specific materials to draw with

... experiment and combine materials and processes to design and make 3d form

... create mood in a painting

... understand the different properties of the different types of paint?

... present a collection of my work on a slideshow

... take a 2D drawing into a 3d form?

...shape using a variety of mouldable materials

... use shade to create depth in a painting

... overlap materials

... use collage as a tool to develop a piece in mixed media

... evaluate my learning and record in sketchbooks

... create a piece of art which includes the integration of digital images I have taken

... use collage to create a mood board of ideas

... compare the work of different artists

... keep notes about the purpose of my work in my sketch book

... sketch books to adapt and improve my original ideas

... combine graphics and text based on my research

... explore the work from other cultures?

... keep notes about the purpose of my work in my sketch book

... evaluate my learning and record in sketchbooks

... communicate what I am trying to express un my own work.

...communicate what I feel an artist is trying to express in my work?

... how art can change over time
