Islam-We have been.....

- Thinking of objects that are special to us and other people.
- Listening to stories about special objects.
- Painting and drawing pictures of special objects.
- Making special objects with the playdough.
- Cutting out pictures of special objects.
- Looking at objects that are special to Muslim people and learning about how they are used.
- Reading a book that explains aspects of the Muslim religion.
- Designing and making our own prayer mats using different materials.
- Taking part in a liturgical celebration reflecting on the special Muslim objects.

Look: We cut out and talked about objects that are special to us.

Look: We drew pictures of objects that are special to us.

Spiders
are special.

My Unicorn
is special.

My Peter
Rabbit is
special.

Discover: We looked at objects that are special to Muslim People.

Discover: We designed and made our own prayer mats using different materials.

Respect: We learnt about how special the Qur'an and prayer mats are to Muslim people. They take good care of them because they help them to pray and understand about God.
