

How the PTFA contributions were spent in 2017-2018

Our wonderful PTFA have out done themselves again with their fundraising efforts. The school budget can only cover so much, so the money the PTFA raise each year helps our school so the children have everything they need to learn and have fun.

In 2017-2018 the PTFA raised an amazing £3700 which was used to purchase new outdoor equipment, and contributed towards the cost of school trips to subsidise the cost to parents. To raise money the PTFA have held various events throughout the school calendar, such as the Halloween and Valentine's Discos and the Christmas and Summer Fairs.

We would like to thank all the members of the PTFA for working so hard for the benefit of our school, and we would like to thank everyone in our school community for their continued support at all of the PTFA events. It is your dedication and generosity that ensures we continue to be an amazing school.

thank
you!

Here are some examples of how we spent the money in school:

EYFS new play equipment and resources for outdoors

KS1 Outdoor Learning Environment

including new doors, painting new

and old fence and new equipment

KS2 Picnic Tables
