- Taken part in Liturgies together AT1;A5

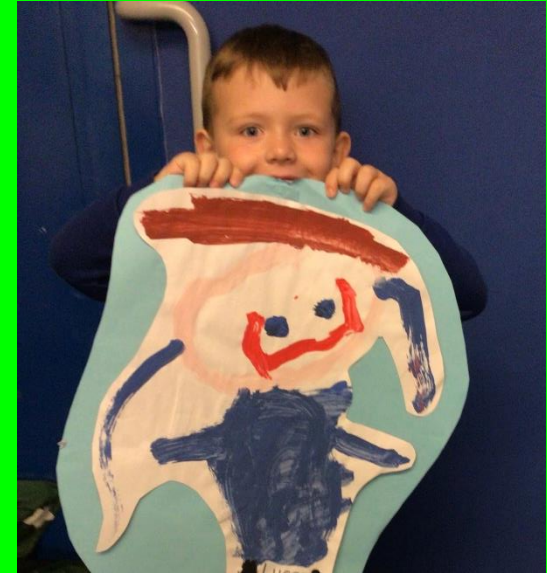

We talked about who is in our family and explained our interests and how our family makes us feel.

AT2:B2

We talked about our families and brought in photos of our families from home. We found out that everybody's family is different, but all of our families are very special. Some of us even drew or painted pictures of them.

We are all part of the family of St Cuthbert's! AT1:A4

We drew and painted pictures of ourselves. We thought about our hair, eye and skin colour. We recognised that God has made everybody to be special and unique.

We discovered that God knows everyone by their
nameAT1:A5

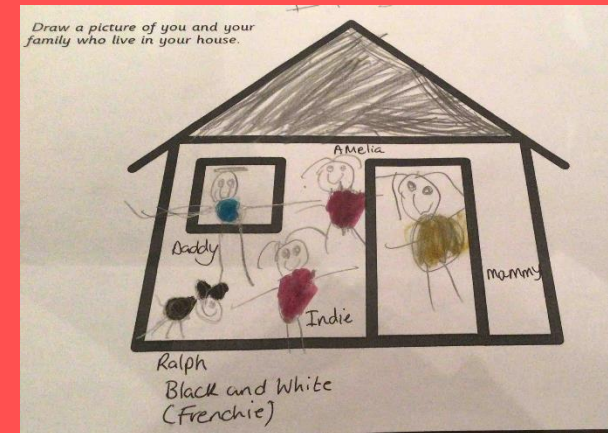

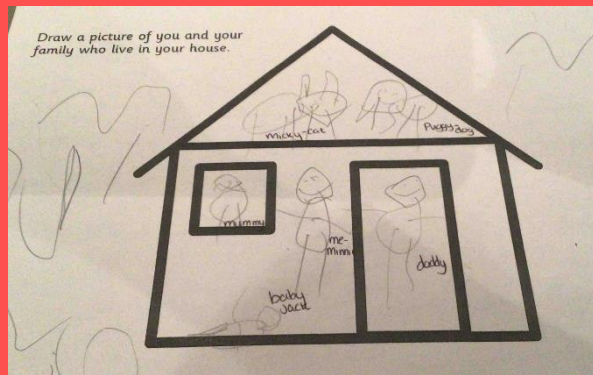

We all have different names, but God knows them all! We have been learning each other's names through lots of games and practicing writing them using special name cards. At home, we asked our parents why they chose our names.

We have explored and discussed phrases from Psalm 131 which tell us that God loves us. AT1:A1, A5

We read Psalm 131, then split it into different sections. We all chose our favourite section and drew a picture to explain how God's love is shown in our own lives. We shared our ideas with the rest of the group, listening to each other and showing respect. We found out that God loves us, just as a parent loves a child.

We have taken part in class liturgies to reflect on what we have learnt. AT1:A1, A5

We talked about how God loves us all of the time – not just when we are doing our best. Even though he wants us to be kind and loving, he still loves us when we are being naughty or unkind. We made the sign of the cross on our friend's forehead and told them, "God loves you!". We chose pictures of members of our families to put in the middle to remind us that God loves us all.
