

Thursday 3rd February 2022

Dear Nursery Parent/Carer,

St Cuthbert's Nursery Drop-off and Collection of Nursery Children

I hope this letter finds you and your families safe and well.

As we begin to ease our COVID-19 restrictions further inside school, we would like to reinstate the use of the main pedestrian gate on Balmain Road for drop-off and collection of Nursery children. This has always worked very well in the past and means Nursery children can come straight into their cloakroom and self-registration area from the Butterfly Garden. We changed this area during the height of the pandemic to reduce the number of adults coming into school from Balmain Road and we feel it is now safe to revert back to the previous routine.

The reinstating of this drop-off and collection point for our Nursery children will begin on **Monday 7th February 2022**.

Could all parents/carers please line up in single file in the Butterfly Garden to help support the safe collection of children.

If you have any queries, please speak to the Nursery Staff or Mrs Ruane (Susie), who is always on the gate on Balmain Road, or contact the school office on 0191 2860129.

Could I just take this opportunity to thank you for all of your help and support during the pandemic; it really has been very much appreciated by us all.

Best wishes,

Mrs Bullerwell
Headteacher
