Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

<p>Meeting national curriculum requirements for swimming and water safety</p>	<p>Please complete all of the below:</p>
<p>What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?</p>	<p>Year 4 - We have 20 out of 30 confident swimmers in Year 6 - 67% and that is despite the global pandemic and interruption of our swim programme and lack of opportunities. 15 out of 30 have passed 25m or more - 50%. The remainder are currently still working towards the completion of 25m mark (1/7/22).</p> <p>Year 5 - Year 5 provision will be increased from next academic year. This will target those children who have not achieved 25m or above.</p> <p>Year 6 - We have 24 out of 31 confident swimmers in Year 6 - 77% and that is despite the global pandemic and interruption of our swim programme. The remainder are currently still working towards the completion of 25m mark (1/7/22).</p>
<p>What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?</p>	<p><i>A range of strokes are taught in lessons.</i></p> <p>In Year 6, 77% of children can use a range of strokes.</p>

<p>What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?</p>	<p>Year 4 and 6 non-swimmers have accessed lessons have completed water safety in June 2022. The remainder have completed self-safety in private lessons (survey).</p>
<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	<p>We plan to use this for safe self-rescue and for those Y5/6 pupils that cannot swim 25m</p>

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2021-22		Total fund allocated: £17,824 (£14,169.54 spent)	Date Updated: 21/07/22
